**FOR THE 2022**  
**COACHING**  
**CLINIC!**

The **Strata Leadership Workplace Coaching Clinic** is designed to address the workplace coaching needs of leaders, managers, and human resource professionals. The **Coaching Clinic is a two-day learning experience** focused on elevating the skillset and transforming the mindset needed to provide effective workplace coaching.

Facilitated by experienced Strata Coaches, the program is a blend of academic theory and practical application. **Space for the Coaching Clinic is limited** for optimal participant engagement and is ideal for anyone who leads or manages others and strives to help them find success at work through coaching.

This program is **valid for 7 PDCs for the SHRM-CP® or SHRM-SCP®.**

This exclusive experience brings together a community of professionals with a shared commitment to service and provides participants a network of coaching experts to assist them as they transform into the workplace coach they want to be!

**LEARN WHAT IT TAKES**  
**TO COACH, ELEVATE,**  
**AND TRANSFORM**  
**YOUR ORGANIZATION!**
