COACHING
CLINIC!

The **Strata Leadership Workplace Coaching Clinic** is designed to address the workplace coaching needs of leaders, managers, and human resource professionals. The **Coaching Clinic is a two-day learning experience** focused on elevating the skillset and transforming the mindset needed to provide effective workplace coaching.

Facilitated by experienced Strata Coaches, the program is a blend of academic theory and practical application. **Space for the Coaching Clinic is limited** for optimal participant engagement and is ideal for anyone who leads or manages others and strives to help them find success at work through coaching.

This program is **valid for 7 PDCs for the SHRM-CP® or SHRM-SCP®.**

This exclusive experience brings together a community of professionals with a shared commitment to service and provides participants a network of coaching experts to assist them as they transform into the workplace coach they want to be!

LEARN WHAT IT TAKES
TO COACH, ELEVATE,
AND TRANSFORM
YOUR ORGANIZATION!

UPON COMPLETION OF THE STRATA LEADERSHIP WORKPLACE COACHING CLINIC, PARTICIPANTS WILL:

1. Discover the competitive advantage of creating a coaching culture.
2. Understand the importance of coaching the person, and not the problem.
3. Foster a workplace coaching mindset.
4. Sharpen coaching skills such as listening, questioning, and curiosity across several practice coaching sessions.
5. Develop a list of "go-to" questions to spark innovation and creativity within their teams and organizations.
6. Receive insights from industry leaders who have implemented workplace coaching in their organizations.
