

INSTITUTE FOR EMERGING LEADERS

DO YOU HAVE HIGH POTENTIAL EMPLOYEES AND WANT TO RETAIN THAT TALENT WITHIN YOUR ORGANIZATION?

Strata Leadership has the resources necessary to maximize their potential through the Institute for Emerging Leaders.

"The network and fellowship that is created in the IEL program allows each of us to be our most true genuine self, to learn from others with different viewpoints and experiences, and to honestly grow together to advance the next generation of leaders."

Jennie, Court Appointed Special Advocates (CASA) of Oklahoma County

The Institute for Emerging Leaders (IEL) is a life-changing leadership development experience that equips high-potential leaders with the character and competency to impact those they lead positively.

"To say IEL was an incredible experience would be an understatement. The lessons I learned will have a profound impact on both my professional and personal life."

Kellen, American Fidelity

This intensive learning experience is tailored to meet the needs of an emerging leader. They will be challenged to think differently, encouraged to build meaningful relationships, and be empowered to lead more effectively.
